

Contact Lens Return/Exchange Policy

All contact lens boxes purchased at Littlefield Eye Associates may be returned or exchanged if:

- Boxes are not marked on
- Boxes are sealed/unopened and missing no lenses
- Boxes are not expired, and will not expire for the next year

Contact lenses purchased can be returned/exchanged within 6 months with no additional fees.

Contact lenses that are returned/exchanged 6 months+ from purchase will accumulate a restocking fee.

6 months - 1 year	\$10 restocking fee
1 year - 2 year	\$20 restocking fee
2 years+	\$30 restocking fee (IF BOX IS NOT EXPIRED)

When exchanging contact lenses, the patient is responsible for any price differences between the contact lens brands or any pricing changes determined by the contact lens brand. Contact lens manufacturers typically increase prices across the board biannually. The patient is responsible for restocking fees on orders returned after 6 months.

The patient may be refunded on orders returned within 6 months. Any orders returned after 6 months will be credited to the patient's account for IN OFFICE USE ONLY.
